

## THE CUT

The plush Breu **outdoor lounge chair**, \$1795, and Bruno **planter**, from \$175, both from Coco Republic, deserve their moment in the sun.

### X MARKS THE SPOT

**why it works** The chair's minimal X-frame is mirrored by the pot's grid pattern. Sleek simplicity and clean black lines are key here.

Bly **easy chair** in Talas, \$799, Eco Outdoor.  
Pineapple **pot**, \$439, The Balcony Garden.

### PERFECT PAIRS

# outdoor chair & pot

Give your pot plant a chic, sturdy home, then sit back and admire your green thumb

### SUPER NATURAL

**why it works** Natural materials such as timber and clay work beautifully together. This earthy combo has a casual elegance.

Sonoma **occasional chair**, \$1560, GlobeWest.  
GLTerra cylinder **pot**, \$475 (small), Garden Life.

2

### THINK PINK

**why it works** Soft curves in the upholstered armchair echo the rounded terrazzo pot. The textures and shapes are playful and pretty.

Butterfly **lounge chair** in Dune, \$550, Terrace Outdoor Living. Terrazzo **pot** in Pink, \$260 (extra large), Fenton & Fenton. **STOCKISTS** page 152
